Commissioner for Patents

The reply filed on August 17, 2005 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant is required under 35 U.S.C. 121 to elect a single disclosed species for each of X1, X2, and Y for prosecution.

Applicant is advised that a reply to this requirement must include an identification of the species that is elected consonant with this requirement, and a listing of all claims readable thereon, including a listing of compounds in the claims readable thereon (for examples, a listing of compounds in claims 13 and 23). See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
